

Mission Statement

Commercial Property News provides in-depth, forward-looking national coverage of the commercial real estate industry's key trends, issues and concerns through a variety of media. *CPN* offers news, analysis and thought leadership across the spectrum of business areas—investment, development, lending, management and brokerage—in the major property types: office, industrial, retail, hospitality, mixed-use, multi-family and seniors housing properties.

“Commercial Property News has proven to be an invaluable resource to our company. It’s a widely read and highly regarded publication in the real estate industry on both coasts as well as in every major market. Our executives appreciate the timeliness of the general stories and the in-depth reporting on industry issues.”
